

**Important Notice**

*NZ Paediatric Rheumatology Service-Hutt Valley DHB*

A student at MPS has been diagnosed with a chronic medical condition which requires treatment. A side effect of the treatment this student needs is that they will have a lowered immune system (the body's natural defense against infections). We are asking all our parents/caregivers to notify the school immediately if your child has developed **chicken pox or measles** as these illnesses can have serious implications for a person with a lowered immune system. Thank you for your help.

**ABSENCES**

It is very important for parents to inform the office when students are away.

There are several ways for parents to let us know.

- 1) Call the office 377 5297 and leave a message
- 2) Text 027 711 9021 stating child's name, room and reason for absence
- 3) Send a message via our school Calendar App
- 4) Email ([office@masterton.school.nz](mailto:office@masterton.school.nz) or [keri@masterton.school.nz](mailto:keri@masterton.school.nz))
- 5) Send a note.
- 6) Send a private message through our Facebook Page. If you have run out of credit, please keep your phone on and answer when we call. If we are unable to get hold of parents, the Ministry of Education requires us to inform Truancy Services.
