

**Head lice**

A reminder to check children's hair daily. It is a good idea to comb hair regularly with a fine head lice comb. They are easily removed with conditioner and a comb.

**Important Notice**

NZ Paediatric Rheumatology Service-Hutt Valley DHB  
A student at MPS has been diagnosed with a chronic medical condition which requires treatment. A side effect of the treatment this student needs is that they will have a lowered immune system (the body's natural defense against infections). We are asking all our parents/caregivers to notify the school immediately if your child has developed **chicken pox or measles** as these illnesses can have serious implications for a person with a lowered immune system.  
Thank you for your help.

**WHAKATAUKI**

*He iti hau marangai e tū te pāhokahoka*

*Just like a rainbow after the storm, success follows failure*

Here are some lovely work samples from our Room 1 students.

Chase is going up to the lookout tower in the middle of the night because there is an emergency!

By Jethro

We are going through the train tunnel. It is dark but we are not scared! We have torches so we can see.

By Krishna

**PB4L WEEKLY FOCUS**

"We will be Motivated to Learn by being ready for learning"

Are you on time - in the morning and after breaks? Do you have all the materials you need ready to start your learning tasks quickly? Have you taken a few deep breaths to help switch between break play and learning time? What else helps you be ready for learning?
