

## PB4L WEEKLY FOCUS

**Our PB4L focus this week is:**

“We will have Successful Relationships by using kind words and actions”

### Mufti Day

THIS FRIDAY - \$2 coin All proceeds go towards the Wairarapa Cancer Society for Relay For Life.

### MPS RELAY FOR LIFE TEAM

This year, MPS staff are participating in the Relay For Life on Saturday 20<sup>th</sup> March to celebrate and remember those who have battled or been affected by cancer.

We need your help!

We are currently running a raffle of chocolate and other goodies for Easter. If you are able to sell tickets in our raffle, please see the office! Tickets are \$2 each. The raffle will be drawn on Friday 19<sup>th</sup> March.

Thank you for your support.

### SCHOOL START TIME

**Please do not send  
your child to school  
before 8.00am**

### Moving March

Next week for Moving March, a staff member will be at all three pou from 8.20-8.40am with the WOW passports to be stamped. Children are encouraged to be dropped off at the pou and bike, scooter or walk to school. The pou are situated at Short Street, Vivian Street and Cockburn Street.

NO LATE ORDERS

## STUDENT ART WORK

## Tadpoles

When tadpoles hatch from an egg they eat the yolk. Room 9 has had tadpoles over the past few weeks. I have noticed that they have been growing hind legs and then front legs. Their tail gets shorter until it disappears. Then they turn into a frog.

By Payten O'Dwyer

## Tadpoles

In Room 9 we had tadpoles. First the tadpoles grew back legs and then front legs. Their tail disappears and they turn into a frog. We got them a rock so when turn into a frog they can sit on the rock. Then we released the frog to the pond. The frogs are amphibians that means they can live in water or outside water. They are slimy and croak.
