

PB4L WEEKLY FOCUS

Our PB4L focus this week is:
Give it a go!!

Welcome Back to School

NAU MAI HAERE MAI

We hope you all had a great break and enjoyed the beautiful autumn weather. A reminder that although the mornings are cold, it does warm up in the day and our tamariki are inclined to take off their tops when they get hot. So to avoid lost clothing we ask that all sweatshirts and jackets are clearly named. This term we will begin our Free School Lunches in week two, so remember you won't need to send a school lunch with your child from Monday 10th May. Please keep sending a healthy morning tea to school as it's a long time between breakfast and lunch for hungry children. We are really excited by this opportunity and look forward to some happy faces as the lunches roll out. They will be delivered to classrooms just before the lunch break. We welcome back Shona Purcell to Room 13 and Whaea Tash has returned to her Room 2 classroom. Whaea Paula has taken some of the Room 1 & 2 students to make a Room 6 class again as we make space for the incoming New Entrant students in the junior rooms. We look forward to seeing you in school and welcome whanau to come to our assemblies at midday on Fridays. Watch out for upcoming events in the weekly newsletter. Nga mihi Anne Donald Deputy Principal

INCREDIBLE YEARS GENERAL COURSE

MPS AWARDS

The winners last term were:

Caelyn Room 12, for waiting patiently and making good choices. Harley Room 12 for being well organised, following rules, being on task and being gentle. Katalina Room 8 for waiting patiently and making good choices.

What's Hot - Enviro Spot

A Big Thank you to
"Mr Feringa for keeping
our school neat and tidy"

MPS Reward for Term 1

Liam Hewson-Goodin Room 9 received a family bowling pass for making good choices and being co-operative.

Friends of School - FOS

FOS is run by a group of parents who help fundraise for the school. We welcome new members to the group and new ideas for fundraising. If you would like to come along and meet other parents and share your ideas, or just help out occasionally, we would love to hear from you. Helping run the disco once a term, helping with a sausage sizzle occasionally for events, are just some of the activities of FOS. If you have new ideas for raising funds (or just keen to support MPS) and you would like to come and share them please join FOS. We are keen to increase our FOS group as we fundraise for the extras not paid for by the Ministry of Education, like technology for students and playground maintenance and new equipment. Come along and join us at our next meeting at 2.45 pm in the school library
Friday 18th June.

NAVIGATING CHILDREN'S BRAINS: PARENTING WORKSHOP

Philosophy:

Children develop best in a safe, non-violent and stimulating environment, i.e. when their caregivers are confident in their parenting.

Goals

- To build the capacity and understanding of child rearing, of parents/caregivers.
- To enhance their ability to cope with the ongoing challenges of parenting through different ages and stages.
- To extend caregivers knowledge of how to provide a safe, nurturing and stimulating environment for children.

Topics include:

- Hierarchy of needs
- Brain development
- Technology
- Teaching Healthy relationships
- Setting boundaries
- Stress management
- Participant's Choice Session

6 weeks Starts Thursday

10am - 12 pm
