PB4L WEEKLY FOCUS

Our PB4L focus this week is:
Give it a go!!

Wiki tuarua-Week two

School lunches started yesterday and so far the response from students is really positive. Teachers are talking to their classes and getting feedback. This is being passed on to the providers so they get to know what the tamariki are enjoying. It will take a while for the children to get used to a new way of doing things but so far so good. This week we have a small group of students travelling to Palmerston North to the National Young Leaders' Day and another group going to Carterton to learn about the environment and what we can do to help protect it. A Big Thank you to

All the breakfast club helpers who make sure we get a healthy breakfast.

MPS CROSS COUNTRY

Thursday 27th May

Please come and watch your child participate in the MPS Cross Country. The first race will be at 11am and will be starting with the Year 1 students. From there the Year 2s, then Year 3s will race, and so on. You are welcome to stay around at the end, and have lunch with your child/ren.

We aim to be finished by 12.30 at the latest.

This year all students are encouraged to dress up in their house colour. Please ask your child what house they are in, so you know what colour they should come dressed in.

Tui = Blue / Takahe = Green / Weka = Yellow / Kiwi = Red

We will be practising for the cross country most days, so please ensure your child is wearing correct footwear for running in.

Friends of School - FOS

FOS is run by a group of parents who help fundraise for the school. We welcome new members to the group and new ideas for fundraising. If you would like to come along and meet other parents and share your ideas, or just help out occasionally, we would love to hear from you. Helping run the disco once a term, helping with a sausage sizzle occasionally for events, are just some of the activities of FOS. If you have new ideas for raising funds (or just keen to support MPS) and you would like to come and share them please join FOS. We are keen to increase our FOS group as we fundraise for the extras not paid for by the Ministry of Education, like technology for students and playground maintenance and new equipment. Come along and join us at our next meeting at 2.45 pm in the school library Friday 18th June.

Poems by Room 12

I am a beautiful leaf. I am glowing green.
I am on a branch in the soft blowing breeze.
When it turns autumn I fall off. I go off to an
adventure it is so fun.
When it is winter I freeze. Now I leave.
When it turns Spring I come back and have
another journey.

Hello. This is me.. a Beautiful leaf attached to
A Oak Tree.
I am green and my life is Crazy!
Like I don't know how long
I'm going to be here.. All of my friends have left me.
Some are still with me.
THE NEXT DAY
All of my Friends and Family are gone
and it was just me Left
