

## PB4L WEEKLY FOCUS

Our PB4L focus this week is:  
**Give it a go!!**

### Week 4 –Wiki Tuawhā

Two of our students enjoyed their day last week learning about sustainability out at Matahiwi. Working with students from other schools, they also learnt about how to share information through writing and illustration. They have the task of passing this knowledge on to the other students at their own schools now. They had a great day of hands on learning through REAP.

Students have been practising for our school cross country and getting fitter each day. We look forward to seeing whanau here on Thursday to support our tamariki.

This year we are encouraging students to wear their house colours for a bit of extra fun and motivation. Check in with your child to see which house colour they should wear.

Ngā mihi nui Anne Donald, Deputy Principal

### IMPORTANT Information Update

Thank you to those parents that have returned their Information Update forms.

We still have quite a few outstanding.

It is very important that these forms are returned to school as soon as possible, so we can ensure we have the correct up to date information on file. If you have not received a form, please check your child's bag. A form was sent home with EVERY child.
