PB4L WEEKLY FOCUS

Our PB4L focus this week is:
Perseverance - Keep going!

Week 6–Wiki Tuarima

Kia ora koutou. I hope you all had a great weekend and enjoyed the fine weather. I saw a few families enjoying the Matariki light show in the park on Saturday. It was a lot of fun and getting bigger each time they run it. We are currently looking for a person to support our Kapa Haka group. If you or anyone you know would like to come and work with us please talk to Lorraine, me or let the office staff know. 3 Way Learning conferences start in a couple of weeks for students who are due a report. Remember this is a time to come with your tamariki and share all the great things that are happening at school, ask any questions and work as a team to support them with their learning.

Netball - MPS Tornadoes

Three members of the MPS Tornadoes Netball Team were invited to join the Under 16 Wairarapa Representative training on Wednesday. The year 6 girls learnt lots of drills from the senior girls and even got to play a game with them. The girls enjoyed going into different groups to learn separately so they could bring those skills to their own training and team. The MPS Tornadoes are currently undefeated and are really enjoying the season so far.

Autism New Zealand Course for families
