

PB4L WEEKLY FOCUS

Our PB4L focus this week is:
Fair Play

Week 8–Wiki Waru

Kia ora koutou. Well we are certainly feeling wintery and the tamariki are learning about what to do in a wet lunchtime at school. A good time to practise board games, card games and drawing. Do send them with warm clothes and a jacket as we will get outside whenever we can. Our Cross Country runners did well and two students have gone through to the Wellington Regional Cross Country, so well done and good luck to them. Three classes are visiting Aratoi Art and History Museum this week. A great local place of interest for the students to explore. 3 Way Learning conferences are on this Wednesday and Thursday for students who are due a report. Remember this is a time to come with your tamariki and share all the great things that are happening at school, ask any questions and work as a team to support them with their learning.
