If you were unable to come and were sent a notice to say your child was due a report, please do contact your child's class teacher and make a time to see them. Thank you for your patience as we manage another Level 2. Remember we are all doing our best to keep everyone safe in our team of 5 million and we follow Ministry of Health and Ministry of Education guidelines. Kia pai to ra-Anne Donald, Deputy Principal

# SAFETY

## Absences/Late Arrivals

It is the responsibility of parents/caregivers to make sure children are at school whenever school is open unless the student is unwell.

- To ensure your child has arrived safely at school an attendance register is kept.
- If your child does not arrive at school by 8:45am we need to know why so we are confident they are safe.
- **You must inform the school before 8.45am if your child is going to be LATE or ABSENT.**
- If you haven't contacted school we will attempt to contact a parent, caregiver or emergency contact, in a couple of cases we have been unable to get hold of parents because they have not updated their contact details. **Please remember to update emergency contacts at the office if they have changed.**
- If no one can be contacted we will put the matter into the hands of Truancy Services.

**PLEASE ALWAYS LET THE SCHOOL OFFICE KNOW WHEN YOUR CHILD IS NOT ATTENDING SCHOOL DUE TO ILLNESS OR WILL BE LATE FOR A VALID REASON.**

## SPORTS NOTICES

**Ki O Rahi** - Unfortunately the tournament on Friday has been cancelled. I know there will be a lot of disappointed kids! Thank you to PJ who has been teaching year 3-6 students how to play Ki O Rahi this term.

**Mini Ball** - If your child is interested in playing Mini Ball next term, but has not brought a notice home, these can be collected from the office. These are due back to school this Thursday.

## NO TOYS AT SCHOOL

Please remind children that toys from home are not to be brought to school.

## ROOM 14 ARATOI TRIP

Today we went to Aratoi. First we had a look at some Maori wooden puppets that were featured in a show. Then

Becky talked about the piu piu (the Maori dresses) that were made from harakeke (flax). After that we looked through some drawers with cloaks in them. After that, we looked at some horns and flutes. Then Becky let us walk around the area. Then we looked at paintings of the famous New Zealand people. We made poi out of recycled stuff. I wish we were allowed to go around the whole place.
